

7", 10", & 12" VINYL RECORD PRICES

PRESSING SET-UP FEES

These costs are charged on the initial order only.

GUIDELINES: Your source master must be EQ'd and sequenced (songs in the same sequence as on the finished record) with the correct amount of leader or blank space between songs (usually 3 to 5 seconds). Identify sides A & B, total length (time) per side, titles, noise reduction used (if any), and any other pertinent information to insure accuracy.

PREFERRED AUDIO SOURCE: CD

Other sources and situations may result in additional charges.
