

# Custom Molded Flash Drives

## Step 1

### Tell us your Eyedea or Inspiration:

Supply a photo or quick sketch of what your eyedea is for your custom flash drive.

## Step 2

### Illustrated Drawing:

We will render a dimensional virtual proof with detail of the drive.

## Step 3

### Production:

After you approve your virtual proof, we produce the custom mold and mass produce your custom usb shaped drives.

### \$200 Molding Fee (One Time Charge)

- 500 pc minimum
- Choice of capacity (1-16 GB)
- Up to 350 MB of preloaded material included
